Defense Acquisition University

Requirements Webinar

19 September 2013

Webinar Agenda

1. Online Etiquette
2. Changes to RQM 310
3. New RQM 310 Topic – Test and Evaluation
4. Questions sent in by the participants
5. Upcoming events
6. Any additional questions or topics?

Online Etiquette

- Everybody starts on mute
- If you have a question, raise your hand for recognition
  - Keep questions short and to the point
  - Contact us offline if you need a longer discussion
- You can unmute yourself by pushing *6
- We will remute everybody, if we get too much background noise
- You can type in questions via the chat feature

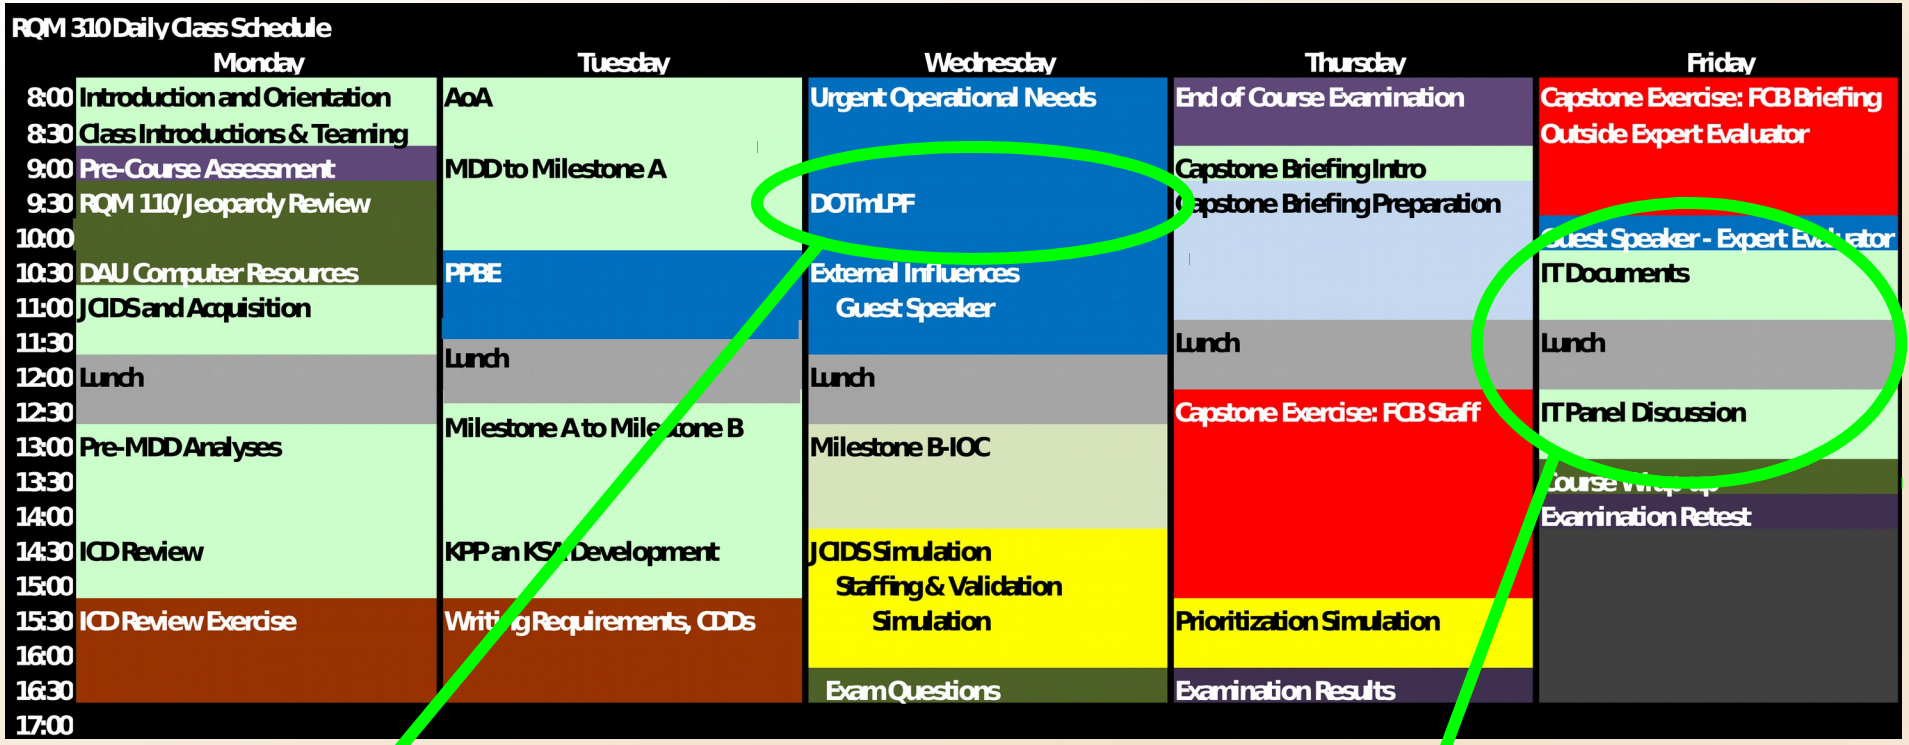
Changes to RQM 310

- FY 13 Added Blocks on DOTmLPF-P (replaced CDTM) and IT
  - Great Support from J8 with Lessons

- FY 14 Adding Block on T&E with an Emphasis on ‘Testable’ KPPs
- FY 14 Adding Block On Getting from the AoA to KPPs
- FY 14 Extending Course to 1530 on the Friday

- How does DAU select course material?

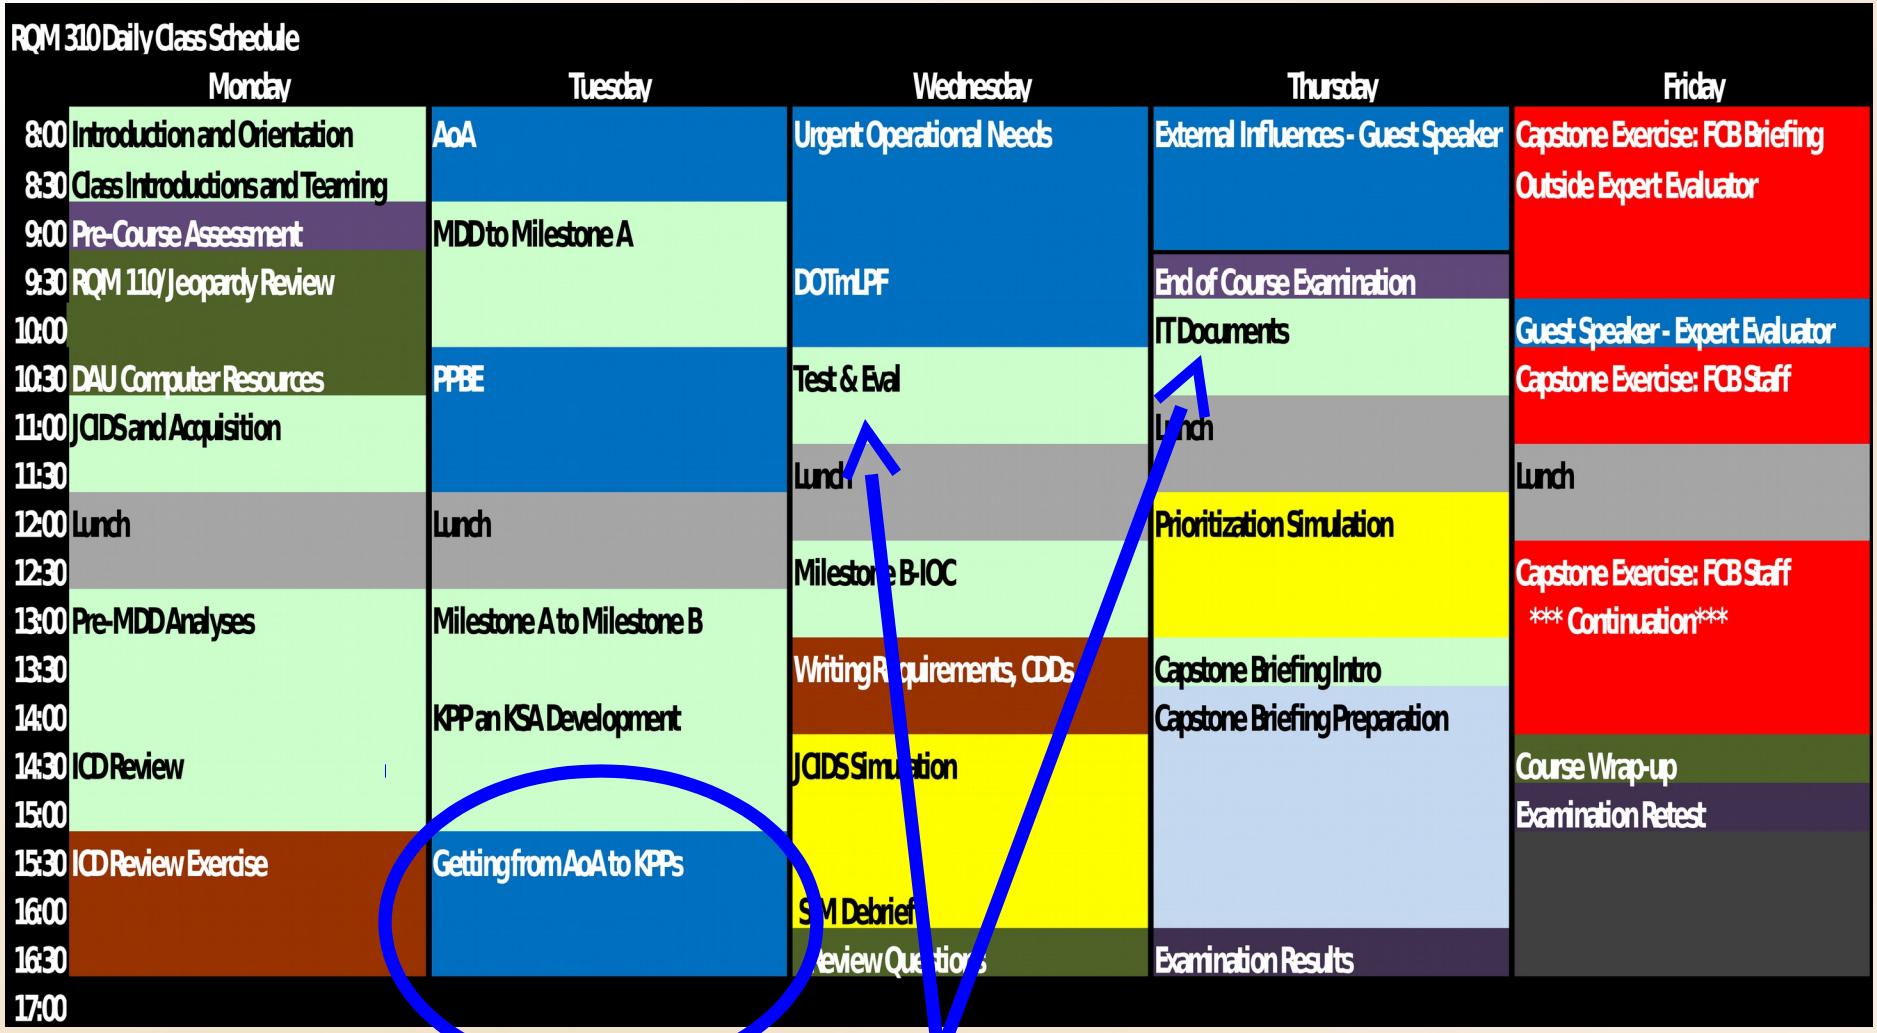
RQM 310 Schedule Modifications



DOTmLPF-P
- **1.25 hr block**
- **J8 Guest Speaker**
- **Joint Level overview of non-materiel solutions and documentation**

IT Documents and Panel
- **2 hr block**
- **Instructor: Tom Fritz**
- **1st hr: Lecture on JCIDS IT manual changes**
- **2nd hr: Panel discussion**

RQM 310
New Schedule Modifications for FY14



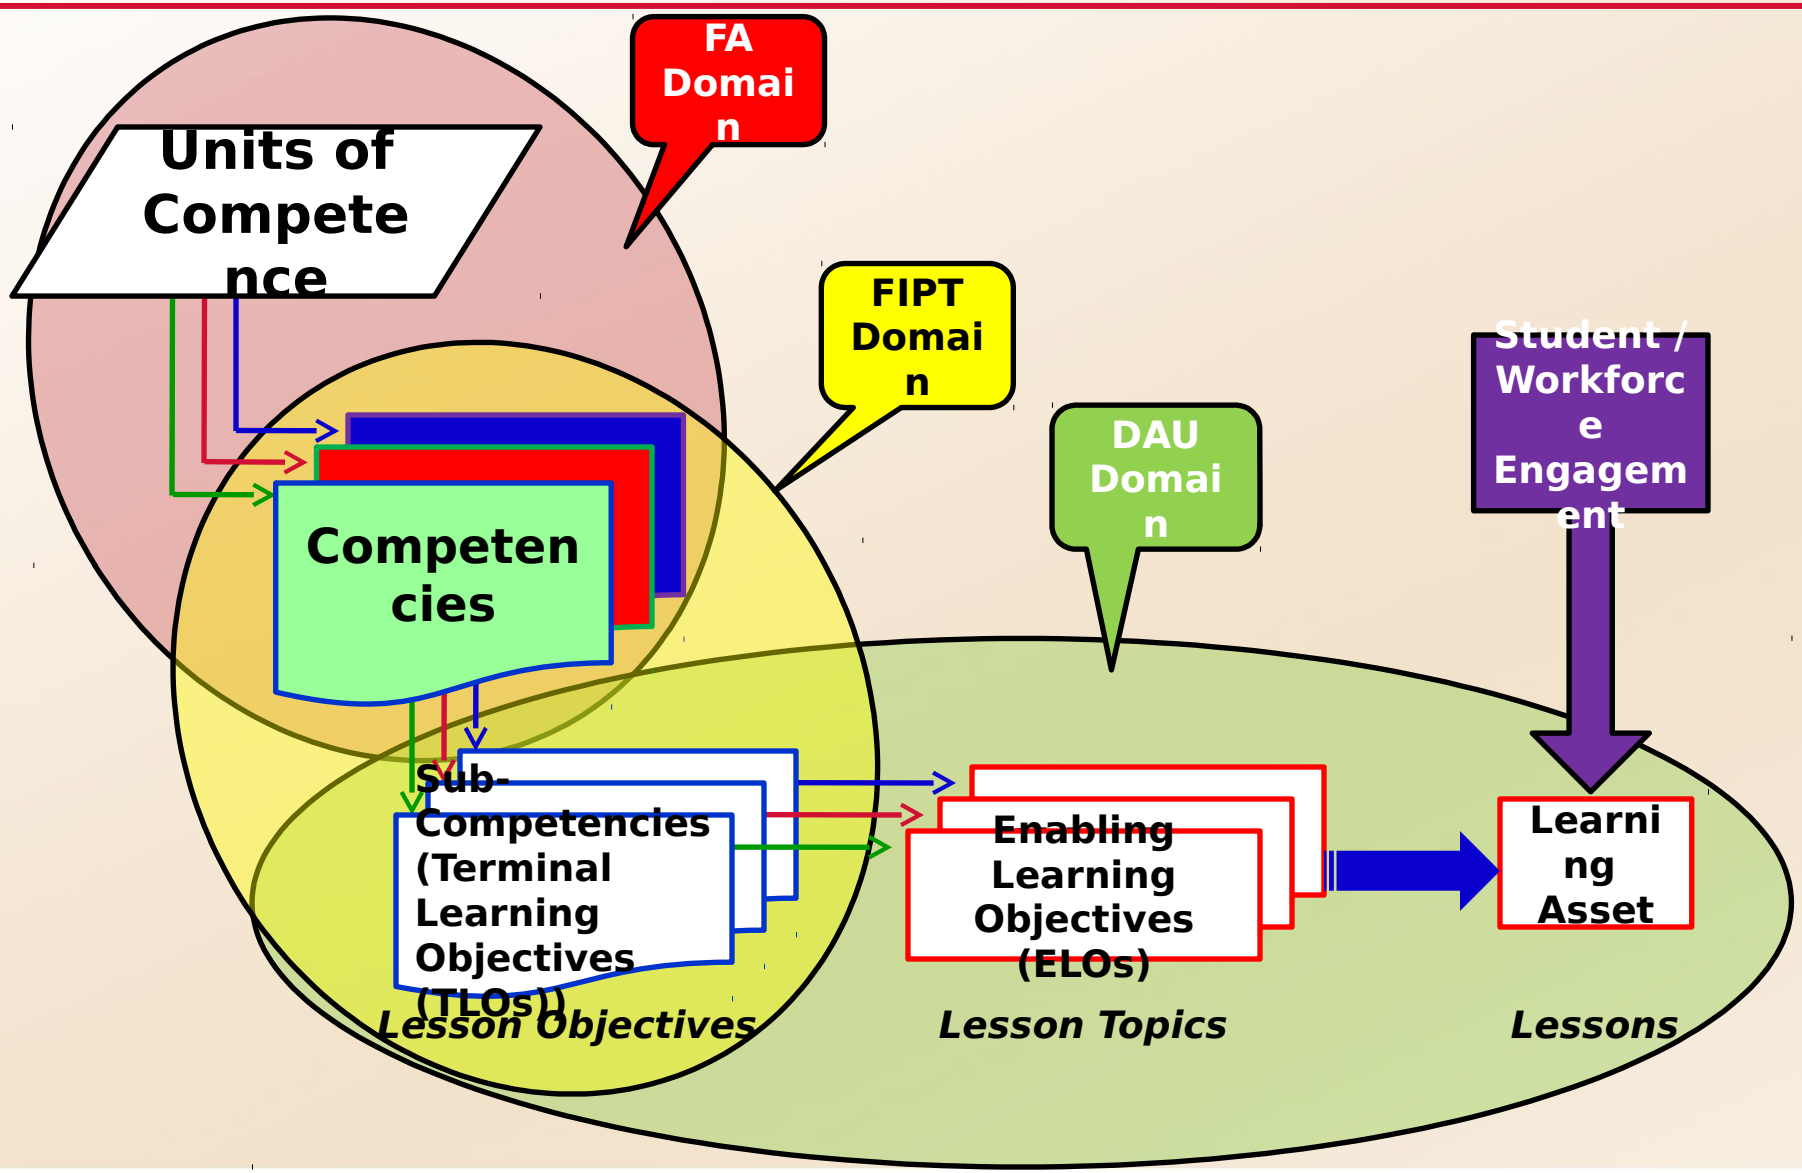
New RQM 310 Topic: Test and Evaluation

- Purpose of Lesson
  - To develop an understanding within the Requirements community as to the importance of test and evaluation in the DoD acquisition process
- Topics to be Discussed
  - Basic understanding of the types of test and evaluation
  - Importance of developing measureable/testable requirements
  - Importance of early involvement of the test and evaluation community in the requirements development process

The Requirements Functional Integrated Product Team (FIPT)

- Meets twice a year – Revised Charter Signed
- Representatives from USD/AT&L, the Joint Staff J8, Military Services, Combatant Commands, Defense Agencies
- Discusses objectives and competencies prior to course development
  - ‘IT Box’
  - Test & Evaluation
  - Services Acquisition
- Contact your component’s requirements development / capability integration directorates for more information

The Role of the FIPT



Frequently Asked Questions

- Upcoming changes to JCIDS
  - When can we expect the next update?

  JCIDS Manual out for comment
  Anticipate approval in December or January

  The Manual will be bigger: ~ 350 pages

  The idea is for it to be a single source (1-stop)
  - Latest information on Rapid Response activities
  - Interest in JEONs
  - Emphasis on DOTmLPF-P and on DCRs
- Upcoming changes to DoDI 5000.02
- Revisions to online courses

Additional Questions from the Webinar Page 1

- How do we access JUONS and JEONS in the new KM/DS?
  - Version 1 still has the Rapid Response documents
- Are DAU and the Pentagon tracking the percentages of RMs who still need training?
  - Yes, a JSAP data call is about to go out
  - DAU will post the results of the previous JSAP
- What are the thoughts about making Requirements a Career Field
  - The Associate Dean recently met with our Pentagon sponsors
  - Expect new policy and guidance

Additional Questions from the Webinar Page 2

- What sort of requirements training do the Program Managers get in their lower-level courses?
  - The basic program management training has limited discussion of requirements and of requirements management
- Are there courses or training about System Architectures and the Architecture drawings?
  - The revised JCIDS Manual includes an appendix with a basic tutorial and a list of points of contact
  - The Program Offices should have Architecture expertise either within the shop or available
  - This is another example of how working with the Program Offices is important

The Next Requirements Webinar

- Does the Thursday schedule continue to work better?
- Do we have better participation?
  - Do we have more callers from the West Coast and the Pacific?
- Next time?

  1500 EDT, Thursday, 19 December 2013

Reminder:

Working Group meetings

Competency Working Group will teleconference

Workforce Working Group meets at the Pentagon on Tuesday, 24 September

Upcoming Classes and Events

RQM 310 Class Dates	Number of Students
21 – 25 October	48
